Community-Oriented Policing - Essay Paper

Community policing, or community-oriented policing (COP), is a strategy of policing that focuses on building ties and working closely with members of the communities. The main idea is to allow police to feel like the public can trust them. A formal definition states: Community policing is a philosophy of full service personalized policing, where the same officer patrols and works in the same ...

Community policing takes advantage of the fact that many white people already assume the “eyes and ears of the police” role in society, calling the police on perceived—usually Black or Brown ...

The Problem With “Community Policing” Reforms

Since George Floyd’s murder at the hands of police officers, we have seen a public outcry for change in policing that has evolved into an international discourse on systemic racism and resulted in the world scrutinizing American society and culture. In the midst of all these conversations, I have seen extremes at both ends of the spectrum – those calling for the abolishment of

Commentary - Balancing reform and good policing: A Boston ...

Police budget reformers should not ignore the costs of big-data policing. The LAPD has spent more than \$20 million on one surveillance platform alone.
