Reviews: Gated Communities in China: Class, Privilege and ...

In its modern form, a gated community (or walled community) is a form of residential community or housing estate containing strictly controlled entrances for pedestrians, bicycles, and automobiles, and often characterized by a closed perimeter of walls and fences. Similar walls and gates have separated quarters of some cities for centuries. Gated communities usually consist of small residential ...

Gated community - Wikipedia

Gated communities provide a lot of benefits to the residents that live within them, though the amenities don't come cheap. The number one reason people choose to live in gated communities is likely the security element. Because a gated community is private, it is more difficult to access than a standard community.
