Grammy award winner, singer/songwriter Steve Earle named this novel after his 14th studio album released in 2011. He has acted in roles on television and in movies. While I'll Never Get Out Of This World Alive is his first novel, Earle has also written a play and a book of short stories. To be honest, I hadn't heard of him before reading his novel, so my opinion is only swayed by having read about him on Wiki, and liking his anti-war, anti-death penalty, etc views.
