The Price of Civilization - Economics and Ethics After the Fall Jeffrey Sachs, Random House, 2011 Sachs says, "Much of this book is about the social responsibility of the rich" and about society's shared values and the need to plan ahead to achieve common goals. The book is also a diagnosis of the failure of the American economy to achieve society's common goals since the 1970's and makes recommendations for future economic reforms.

The Price of Civilization by Jeffrey D. Sachs

The Price of Civilization Economics and Ethics After the Fall Jeffrey Sachs, Random House, 2011 Sachs says, Much of this book is about the social responsibility of the rich and about societys shared values and the need to plan ahead to achieve common goals.

The Price of Civilization: Economics and Ethics After the ...

Sachs unfortunately commits a major conceptual error when he bases his whole book on the concept that there is a price to be paid for civilization. That is going into the totally wrong direction. There are ONLY benefits from civilization and the cost or price of an absence or lack of civilization are horrible as the U.S. economy in effect is experiencing.

[(Price of Civilization: Economics and Ethics After the ...

The Price of Civilization: Reawakening American Virtue and Prosperity (ISBN 978-1-4000-6841-8) is a book by economist Jeffrey Sachs. It was published by Random House on October 4, 2011 in the United States and by Bodley Head in the United Kingdom on October 6 of the same year.

The Price of Civilization - Wikipedia

The Price of Civilization is an attempt to describe the problems Jeffrey Sachs sees in the US economy and how to fix them. It is very readable and insightful giving much food for thought. It reads well though its tone oscillates between being a dispassionate observer to an angry bystander in which emotional outbursts are included.

The Price of Civilization - Wikipedia

It has done this by renaming itself: I bought the book under the title "The Price of Civilization: Economics and Ethics After the Fall", but it is really "The Price of Civilization: Reawakening American Virtue and Prosperity". I was aware of this deception when buying the book, but nonetheless it diminishes the author's credibility.

The Price of Civilization: Economics and Ethics After the ...

Towards the end of his life Sigmund Freud expresses his pessimistic reflection about the prodigious price that humanity has to pay for its "civilization". It appears as if the foundation of civilization is constituted on a "tragic denial": denial of the very elements that constitute life as life, elements that singularize us.

THE PRICE OF CIVILIZATION: ON PLEASURE, ECONOMY AND THE ...

In this time of crisis, The Price of Civilization sets out a bold and provocative, yet responsible and achievable, plan; and reveals why we must - and how we can - change our economic culture in this time of crisis.

The Price of Civilization: Economics and Ethics After the ...

The Price of Civilization has the air of the world traveller who returns home to find his country a much worse place than he remembered... [T]his is such an important book. Martin Sandbu, Financial Times Weekend

The Price of Civilization by Jeffrey Sachs - Penguin Books ...

"The Price of Civilization" explains how government can be made to reform corporate culture by fairly policing compensation but not stifling competition and forced to improve our energy infrastructure by both taxing emissions and providing market incentives for innovation.
